INTERCOLLEGIATE COACHING RECORDS

Coaches, please share this with your school's sports information director or check it against your team's records. UNITED SOCCER COACHES RANKINGS PROGRAM

General Information

1. United Soccer Coaches will conduct national and regional rankings for men and women's intercollegiate soccer programs as a benefit to its College Services members and the general public. The rankings will be distributed to the media and placed on the United Soccer Coaches website (www.unitedsoccercoaches.org) each Tuesday at Noon (Central time) during the season.

2. The intent of the intercollegiate rankings program, as outlined by the United Soccer Coaches Awards Committee and supported by its Board of Directors, is:
   a. to stimulate greater interest in men's and women's inter-collegiate soccer on a regional and national level.
   b. to recognize schools with outstanding soccer programs.

3. United Soccer Coaches recognizes that the national rankings are the best attempt to balance and compare the relative strengths and weaknesses of intercollegiate soccer programs throughout the United States. ***The*** United Soccer Coaches ***rankings are an indicator of the week-to-week status of qualified programs and in no way should be used as a guide or indicator of eligibility for NCAA championships status.***

4. United Soccer Coaches will work with the committee and the program sponsor to maximize publicity for the rankings. Committee members are asked to provide the names of any media outlets in their region interested in receiving the rankings, including the address, telephone, e-mail and/or fax number. Please forward to United Soccer Coaches any local newspaper clippings with coverage of the rankings.

NOTE: All conference calls must be set up by the United Soccer Coaches National Office. Each national chair is responsible for supplying a list (name, address, phone number and e-mail address) or regional chairs no later than June 1 each year. Each regional chair must supply a list of all regional contacts (name, address, phone number and e-mail address) serving on the conference call no later than June 1 each year.

Ranking Procedures

1. The national and regional selection process will be managed by national chairs for each NCAA Division (I, II, III) for men and women. It is the responsibility of each national chair to select a chair for each of the regions (as defined by the NCAA) within his/her division.

2. Each regional chair will select a regional committee that will be responsible for gathering and sharing information from all institutions within their region and division. Committee selection guidelines are:
   a. The committee should include three regional voters (more if necessary, depending upon the geographic size of the region) including the chair.
   b. The members of the committee should represent their entire geographic region without conference or school bias.
   c. The members of the committee should show a balance of representation from all conferences and independent institutions within the region.
   d. Efforts should be made to have committee representation from institutions that are not continuously included among the region's top-ranked schools.

3. NCAA DIVISION I ONLY -- There will be a National Rankings Committee for Men's (27 members) and Women's (35 members) NCAA Division I Soccer. Each of the regional committees will prepare and submit their respective region's ranking online no later than Noon Central time each Monday. The National Rankings Committee members will have access to those regional polls as an information source. They then will prepare and submit their rankings online no later than 10 a.m. Central time each Tuesday.

4. During the season, the regional chair will set up a weekly conference call with the regional committee to establish the Regional Top 10. The conference call will consist ONLY of the committee members sharing the information concerning the prior week's activity of the institutions assigned by the chair.

5. Using the information acquired from the conference call, each regional ranker will then rank the region's teams in a 'Top 10' format online. That ranking will be submitted online to be accessed by the national chair, regional rankings chairs and the United Soccer Coaches National Office.

6. From those online Regional Top 10 lists, national voters will vote to compile a National Top 25. Online voting for the national ranking will close each Tuesday morning of the rankings season at 10 a.m. (Central time).

7. The online process will tabulate all votes from national voters and produce a National Top 25. This ranking will be provided to the national rankings chair for approval in advance of the Noon (Central time) Tuesday publish time each week.

8. Regional and national voters must keep and consult season-to-date results for teams under consideration.

Ranking Rules

1. To be included in the rankings after the third week of the season, institutions must be fully-paid members of the United Soccer Coaches College Services program. Committees will be given information updating them of unpaid members. A list of current members will be maintained in the College Services section of the United Soccer Coaches website (www.unitedsoccercoaches.org).

2. Only institutions that are in "good standing" with the NCAA, NAIA, appropriate junior college organizations and United Soccer Coaches will be eligible for ranking.

3. After the third week of ranking, teams that do not have a winning percentage (.500 or above) will not be considered for regional and national rankings.

4. In addition to the above listed criteria, regional and national voters should consider the following factors in compiling rankings:
   a. overall won-loss percentage;
   b. strength of schedule;
   c. traditional strength of league or region;
   d. away results versus other ranked teams;
   e. comparative scores between regions;
   f. head-to-head scores.

United Soccer Coaches Staff of the Year awards are chosen from NCAA regions and are further divided into awards for the levels of NCAA play (Divisions I, II, and III), NAIA, NCCAA and Junior Colleges. This process is carried out through a series of ballots, first at the regional and then the national level. Division I teams gaining a berth in the College Cup are added to the final national ballot.

College Women

Coaches of women's teams choose four senior recipients, three NCAA divisional, NAIA, NCCAA and Junior College winners for Staff of the Year. The process again involves regional and national balloting.

This is a list of all college United Soccer Coaches Scholar All-America selections since the program was initiated in 1997. We regret that we do not have a list of the 1997 selections. Prior to 2005, all collegiate divisions were grouped together. In 2005, two women's divisions were created: University (NCAA Division I) and College (all other collegiate divisions). The University and College divisions were created for men in 2007. A junior college division was added in 2012. The senior college divisions were futher defined in 2015. NCAA Division I and Division II institutions were grouped together, while NCAA Division III, NAIA and NCCAA institutions were placed in a separate grouping. More definition occurred in 2016 as each NCAA division received separate groupings, while the NAIA and NCCAA remained together. For each athlete, the number before the slash is the level of team selection; the second is the selection year.

NISOA POLICY STATEMENTS

Coaches/Institutions Grievances Against a Referee

Purpose
To define and standardize steps to be taken when a coach or institution has a grievance against a NISOA referee due to some unprofessional action by that referee that causes injury, hardship or a feeling of dissatisfaction to a player, coach or institution.

Policy
It shall be the privilege of any coach or institution to file a grievance against any NISOA referee where there exists an unresolved problem affecting the relationship between the referee and the coach or institution. This grievance will request the governing board of the NISOA to assist in researching the problem. The filing of a grievance is a final step to be taken only when all attempts have failed.

Procedures
The following are steps to be taken in resolving a problem between a referee of the NISOA Local Chapter and a coach or institution. The problem may be resolved during any of these steps, thus ending a need for any further action.

Step 1 - By letter, the coach is to contact the representative(s) of the referee's Local Chapter in an attempt to resolve the problem.

Step 2 - By letter, the Athletic Director should contact the representative(s) of the Local Chapter in an attempt to resolve the problem.

Step 3 - A letter containing detailed information concerning the grievance is to be sent by the coach or Athletic Director to the NISOA Regional Representative responsible for the region in which in the involved school is located. A copy of this letter is to be sent to the representative(s) of the Local NISOA Chapter. The NISOA Regional Representative will contact the Athletic Director and/or coach of the institution to discuss and attempt to resolve the problem.

Step 4 - The grievance will be referred to the NISOA Ethics and Grievance Committee chairman, who, in cooperation with the chairman of the NSCAA Ethics Committee, will contact the involved institution and chapter to discuss and resolve the problem.

Step 5 - The grievance will be referred to the NISOA Executive Director, who will take all steps necessary to resolve the problem and will have final jurisdiction. The referee, if charged, shall have the privilege of appeal by presenting his/her case before the entire NISOA Executive Board.

Referee Grievances Against Coaches/Institutions

Purpose
To define and standardize steps to be taken when a NISOA member or Local Chapter has a grievance against a player, coach or institution NISOA referee due to some unethical, illegal, moral or professional action or inaction by that player, coach or institution that causes injury, hardship or a feeling of dissatisfaction to a NISOA member or Local Chapter.

Policy
It shall be the privilege of any NISOA Local Chapter to file a grievance against any institution where there exists an unresolved problem affecting the relationship between the Local Chapter and the institution. This grievance will request the governing board of the NISOA to assist in researching the problem. The filing of a grievance is a final step to be taken only when all attempts at a resolution between the Chapter and the institution have failed.

Procedures
The following are steps to be taken in resolving a problem between a Local Chapter and the institution. The problem may be resolved during any of these steps, thus ending a need for any further action.

Step 1 - By letter, the representative(s) from the Local Chapter should contact the coach of the problem institution in an attempt to resolve the problem.

Step 2 - By letter, the representative(s) of the Local Chapter should contact the Athletic Director of the problem institution in an attempt to resolve the problem.

Step 3 - A letter containing detailed information concerning the grievance is to be sent by the Local Chapter to the NISOA Regional Representative responsible for the region in which in the involved school is located. A copy of this letter is to be sent to the Athletic Director and the coach of the problem institution. The NISOA Regional Representative will contact the Athletic Director of the problem institution to discuss and attempt to resolve the problem.

Step 4 - The grievance will be referred to the NISOA Ethics and Grievance Committee chairman, who, in cooperation with the chairman of the NSCAA Ethics Committee, will contact the involved institution and chapter to discuss and resolve the problem.

Step 5 - The grievance will be referred to the NISOA Executive Director, who will take all steps necessary to resolve the problem.

NISOA POLICY STATEMENTS

Assault on the Referee

The National Intercollegiate Soccer Officials Association considers an assault upon any of its member referees a matter of great concern. The safety and rights of the individual(s) must be protected at all times. The NISOA recognizes that the responsibility for them is shared by the participating schools, the participating teams, players and officials, the Local NISOA Chapter and the NISOA. The following principles summarize the NISOA policy and guidelines concerning an assault upon the referee(s):

Assault by team player(s), coach(es) or school representative(s) on officials

A. The NISOA Chapter assigned to officiate for an institution is encouraged to negotiate an agreement with that institution, prior to the start of any seasonal year, which mandates the protection from physical assault which that institution will be responsible for providing. In the event that a referee is assaulted the Local NISOA Chapter is expected to assist the referee in all follow-up actions to the fullest extent possible.

B. Each institution must provide as much physical security for the referees as is necessary. It is reasonable to expect that each institution consider providing:
I. Security personnel at home matches;
II. Specific action guidelines to its security personnel, staff and team officials in the event an assault on a referee by players or spectators during or after any match;
III. The security of referee(s) at the dressing areas, going to and from the field, and while on the premises of the institution.

C. The coach of each institution's team and any institutional representative present at a match is expected to act in a responsible manner whenever a physical assault either occurs or appears imminent.

D. NISOA referee(s) are expected to conduct themselves in a professional manner at all times before, during and after game assignments at any institution. While it is within the spirit of the game that referees do not attempt to retaliate when assaulted, it is a basic right of each individual referee to pursue civil and criminal prosecution. The referee must exercise the discretionary powers provided by the rules to decide whether a game should begin or restart after disturbances. Each referee, if assaulted, should seek the protection afforded by the home institution.

Assault by specatators

A. The NISOA Chapter assigned to officiate for an institution is encouraged to negotiate an agreement with that institution, prior to the start of any seasonal year, which mandates the protection from physical assault by spectators which that institution will be responsible for providing. NISOA recognizes that soccer is, to a large extent, a spectator sport and would not wish to see spectators denied the opportunity to enjoy intercollegiate soccer competitions.

B. Spectator control is a responsibility of the home institution.

C. All reasonable and prudent measures must be instituted. It is reasonable to expect each institution to consider:
I. Security personnel at its home matches;
II. Limits to the field area accessible to spectators during play;
III. Specific action guidelines for security personnel, team officials and staff in the event of an assault on a referee by spectators;
IV. The security of the referee(s) at the dressing areas, going to and from the field and while on the premises of the institution.
